HELENA, MONTANA 59620-0401

In 1985, the Montana Department of Commerce published the first edition of the MONTANA CONSUMER PRODUCTS DIRECTORY. The purpose of this directory was to make the Montana consumer aware of the diversity and quality of products that are manufactured in Montana. This awareness program was further emphasized by a statewide advertising campaign promoting products that carried the "Made in Montana" label. You, the consumer, have recognized our efforts beyond our expections. Over 8 million labels have been placed on Montana products.

As we publish this, the second edition of the PRODUCTS DIRECTORY, we look forward to your continuing support and suggestions.

Sincerely,

Keith F. Collo Keith L. Colbo Director
